

# Animal Agriculture 101

Alabama Coalition for Farm Animal Care and Well-Being

Join us at an upcoming event to gain understanding of farm animal care and production practices. You'll hear from experts in the fields of dairy cattle, equine, beef cattle, swine, poultry, sheep & goats and more.

#### **Purpose**

The purpose of the Animal Agriculture 101 course is to provide a basic understanding of farm animal care and production practices and to create a resource for local animal shelters and officials dealing with animal care complaints.

#### **Target Audience**

The course is suitable for humane officers/agents, dog wardens, animal control officers, local animal shelters/humane societies, sheriff deputies, and county commissioners.

**Continuing Education Credits are available!**
